SENATE AND HOUSE.

Mr. Tillman Again Charges Attorney General With Inactivity Against Trusts.

ARMY APPROPRIATIONS PASSED

House Then Began Considering the Department of Commerce Bill—The Cuban Reciprocity Measure Reported With Two Amendments.

Washington, Jan. 16.—In the senate yesterday Senator Tillman continued his arraignment of trusts and monopolies, and again charged the attorney general was responsible primarily for lack of action against trusts.

The statehood bill was under discussion for a short time, Mr. Foraker urging the right of Oklahoma, Arizona and New Mexico to be admitted into the Union.

Mr. McLaurin (Miss.) called attention to charges that the people of Indianola, Miss., had been guilty of threats and intimidation against the postmaster, and declared them to be untrue, remarking that his object in bringing the matter to the attention of the senate was in order that his denial might go into the Congressional Record as in answer to those who made the charge.

Mr. Fairbanks gave notice that he would call up the immigration bill on Monday.

At 4:50 p. m. the senate went into executive session and soon afterward adjourned until Monday.

In the House.

The house yesterday passed the army appropriation bill and began consideration of the department of commerce bill, under a special rule making it a continuing order until disposed of. The opposition to the measure came entirely from the Democratic side and was based chiefly on the ground that the transfer of the bureau of labor to the new department would subordinate that bureau to a department which would represent capitalistic interests. The friends of the bill denied the assumption that the head of the new department would be hostile to labor. They maintained that the bill would increase the dignity of the bureau of labor by giving the head of the department a seat in the cabinet. Those who participated in the debate were Messrs. Mann (Ill.), Corliss (Mich.), Adamson (Ga.), Scott (Kan.) and Hepburn (Ia.), in favor of the measure, and Messrs. Richardson (Ala.), Haines (Tenn.), Davis (Fla.), Clayton (Ala.), Shackelford (Mo.), Cochran (Mo.) and Wooten (Texas), against it.

At 5:10 p. m. the house adjourned.

Cuban Reciprocity.

The senate committee on foreign relations yesterday agreed to report the Cuban reciprocity treaty to the senate with no amendments. The first of these is the guarantee against a further reduction of the sugar tariff, which was adopted Wednesday, and the other makes a reduction of 40 per cent in the reduction of the duty on American cattle exported to Cuba, instead of 50 per cent, as provided in the treaty as it was originally transmitted to the senate. Senators Bacon and Bailey cast their votes against the resolution for a favorable report, but all the other votes were in the affirmative.

Later in the day, in the executive session of the senate, Senator Cullom reported the treaty as amended by the foreign relations committee, and gave notice that he would call it up Monday next and would endeavor to secure action upon it at the earliest possible day. This notice was in accordance with a general understanding among Republican senators. It is expected that there will be considerable debate on the treaty and that some time will elapse before it can be acted upon.

Anti-Trust Bill.

The following statement was given out by the sub-house judiciary committee, which is charged with the preparation of an anti-trust bill:

"We have had a conference with the attorney general and have been informally considering among other things his suggestions, as well as discussing the general form of the legislation. No definite action has been taken by the sub-committee and we shall not be prepared to report to the full committee before the early part of next week."

The positive statement was made that there has been no hitch to occasion the delay. "It is simply a question now of perfecting the bill," said one member of the sub-committee.

Colonel Thompson.
Sioux City, Ia., Jan. 16.—Colonel Thompson, of Rock Rapids, former commander of Rock Rapids, former commander of the Grand Army of the Republic, died here yesterday. He was a well-known figure in the community.
